

Welcome

**PROJECT COMPLETED**

**NACHATRA GARDEN**

Special attention is paid to every part of the residential complex. The design is aesthetically pleasing and functionally practical. The project is surrounded by number of renowned educational institutions, mostly engineering colleges. The Coimbatore International airport is 18km from the project. The project is built according to vastu guidelines. The tree plantations ensure good ventilation and breeze all year round. Every Greenfield home bears the hallmark of quality. We do not compromise on material and method of construction. We use premium fittings and fixtures while doing up the interiors.

The facilities make life comfortable and are integral to the project.

The project boasts of multi-level car parking, RO plant for safe drinking water, power back up, well lit roads, manicured gardens, children's play area and more. At Greenfield, we place utmost importance on customer satisfaction.

Thus, we conduct timely reviews on ongoing projects and update the to-be residents on the same. Our budget villas start at 16.50 lakhs for 1500 sq. ft. land and building.

It's our pleasure serving you ! Don't hesitate to call us (24/7)
